

STRAWBERRIES AND GLITTER

DRINK TO BE STYLISH

It's a pink strawberry and dragon fruit and marshmallow milkshake. It's smells good. it's pink and glittery. We add vanilla from Madagascar and ice cubes from Mount Everest , We drink it with a straw

It's very good, it's sweet and sugary, it's special because five minutes after drinking it your hair turns pink

I chose this product because it smells good, it is good, it is special

resented on a tray made of (edible) pink sugar. You can put small wings If you take it to go, it costs five dollars more. and the tray automatically follows you with the wings.it costs twenty dollars.

**Popcorn is made in a factory
after the kernels have finished
growing. They're all popped at
the same time, then transferred
into a large bowl where flavors
are added. Finally, they're
packed into bags.**

Diamonds Unlock

A trompe l'oeil of a necklace with a blue diamond with a raspberry and almond flavor.

We open it with a hammer spoon: the hammer is to open it and the spoon to eat it.

It opens with the hammer, we break the sugar glass to open it.

It is good because it has a particular blend of flavors.
